

STUDENT HOUSING MANUAL 2025-26

Date: 20th January 2025

**Message from Registrar,
MIT WPU Pune**

The cost of discipline is always less than the price of regret; thus, self-discipline is the most significant investment for success in life.

I extend my warm greetings to all the MIT WPU Pune hostel students, their parents residing in India and other parts of the world.

It brings immense joy to welcome you all to be a part of the MIT family, dedicated to providing students with a homely and healthy atmosphere, complete with safety and security in the hostel.

In the hostels of MIT WPU Pune, we not only strive to offer students a clean and comfortable living environment but also encourage the cultivation of discipline. Recognizing that discipline is the key to success and career building, we actively promote self-discipline among our students.

Hostel life, we understand, is a convergence of diverse cultures and different upbringings, blending into a harmonious and enriching experience. We foster an atmosphere where students can learn, laugh, and live life to the fullest. Our wardens and Support staff ensure that students enjoy a clean, green, and relaxed atmosphere, promoting green sustainability within the hostel premises.

While comforts are important, they alone are not sufficient. Recognizing man as a social animal, the resident students are encouraged to participate in various cultural and social activities throughout the year. Colourful evenings of songs and dances are common on campus, with talent shows, dramatics, and literary events organized periodically. Inmates of the hostel are urged to live in harmony, akin to one big family, offering each other a helping hand whenever required, fostering cooperation to make hostel life a rich and fruitful experience.

Living in a hostel presupposes a high degree of integrity, mindfulness, cooperation, open-mindedness, and hard work for a bright future and to uphold the good image of the institution.

It is also the highest obligation and responsibility of all residents to keep the University hostel free from polythene, alcohol, smoke, etc., ensuring a pollution-free environment, and to refrain from engaging in any unlawful acts, including ragging, to avoid severe disciplinary action from the University.

My warm wishes are with you for your outstanding academic careers.
