About MIT-WPU

Dr. Vishwanath Karad MIT World Peace University (MIT-WPU) is a prestigious world-class institution of higher education in India, boasting a remarkable 40-year legacy dedicated to fostering excellence in academics. With a global alumni network comprising over 1,00,000 professionals, MIT-WPU has consistently delivered outstanding educational outcomes. The institution offers over 150 undergraduate and postgraduate programmes that are thoughtfully designed to strike a balance between theoretical foundations and practical application. The pedagogical approach prioritises experiential learning, empowering students to translate knowledge into real-world skills. This is facilitated through immersive internships and invaluable mentor-mentee insights that serve as catalysts for personal and professional growth.

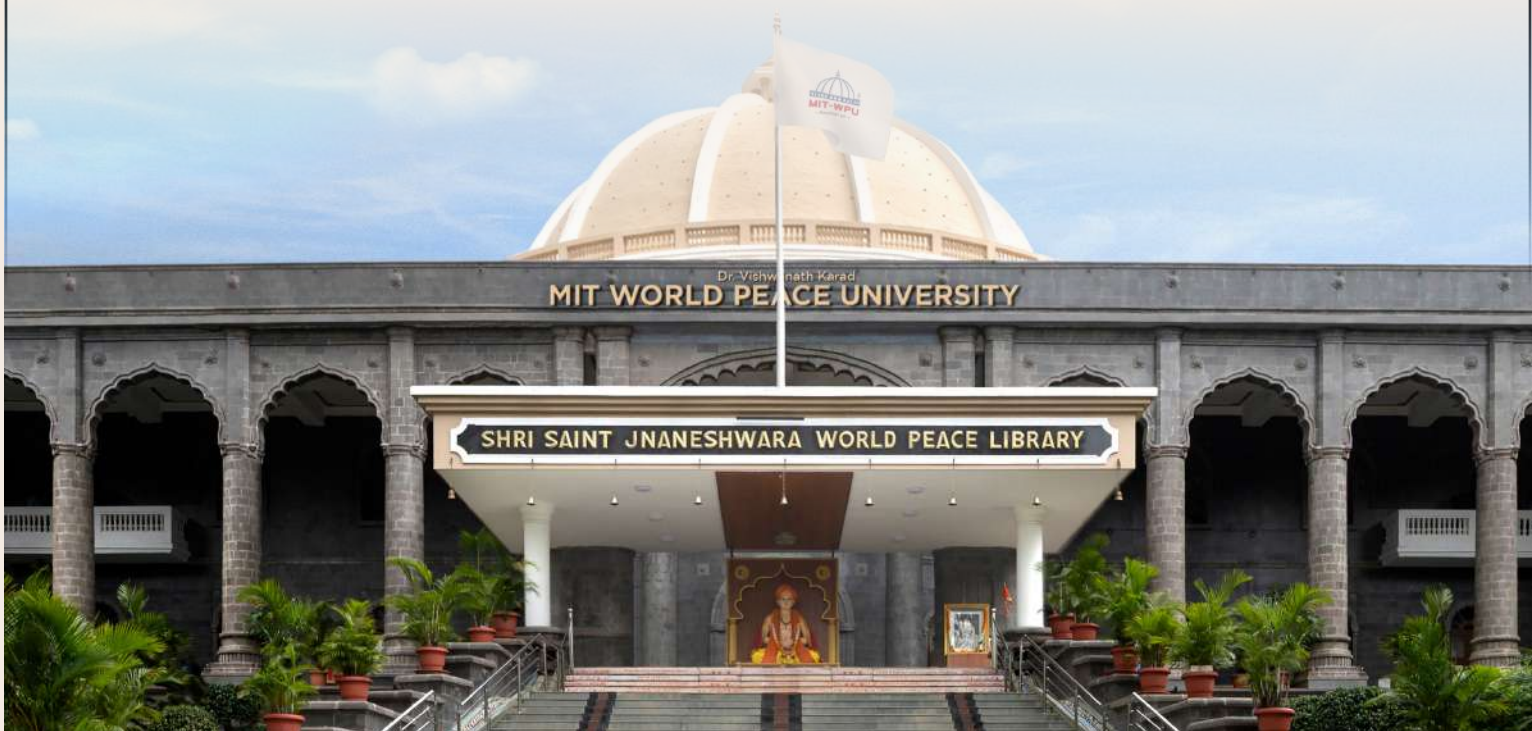

Spanning across 65 sprawling acres, MIT-WPU is proud to host a collection of industry-sponsored labs that drive groundbreaking research, solidifying our position as one of the foremost universities for scholarly excellence. Our institution thrives in a distinctive academic setting that promotes cross-disciplinary research, actively cultivating an environment where we not only support the pursuit of knowledge but also prioritize discoveries with profound global implications.

About the Institution

The Ramcharan School of Leadership at MIT-WPU stands as a distinguished institution offering a comprehensive spectrum of business leadership programmes tailored to both students and seasoned professionals. At its core, the school is dedicated to shaping the future generation of corporate leaders, providing them with exceptional educational pathways that span a wide array of critical topics. These encompass various facets of leadership, from styles and effective communication to conflict resolution, strategic planning, and team building. The curriculum, thoughtfully crafted by top-tier industry experts, equips students with invaluable leadership proficiencies, fostering both personal and professional growth. This educational journey is underpinned by a commitment to contributing to the betterment of society.

The Ramcharan School of Leadership has robust industry connections and partnerships with renowned organisations. These collaborations provide students with exceptional opportunities for internships, placements, and hands-on experience in authentic business settings, further enhancing their readiness for leadership roles in the business landscape.

About Conference:

The International Conference on Socioeconomic Change and Responsible Leadership is a premier international event dedicated to shaping the future of business, society, and global development. In an era of unprecedented change—driven by technological disruption, sustainability challenges, and shifting economic structures—the conference brings together visionaries who are redefining responsible leadership.

Through thoughtfully curated tracks on sustainability, digital transformation, global policy, social innovation, ethical leadership, human capital, and responsible markets, the conference inspires bold ideas and actionable solutions. It aims to empower educators, researchers, professionals, and policymakers to build resilient institutions and drive inclusive, sustainable progress.
