THE HEARTBEAT OF MIT-WPU

WITH THE BLESSINGS OF
REVERED PROF. DR. VISHWANATH D. KARAD

SHRI. RAHUL V. KARAD

Managing Trustee and Executive President,
MAEER's MIT Group of Institutions

Executive President,
MIT World Peace University

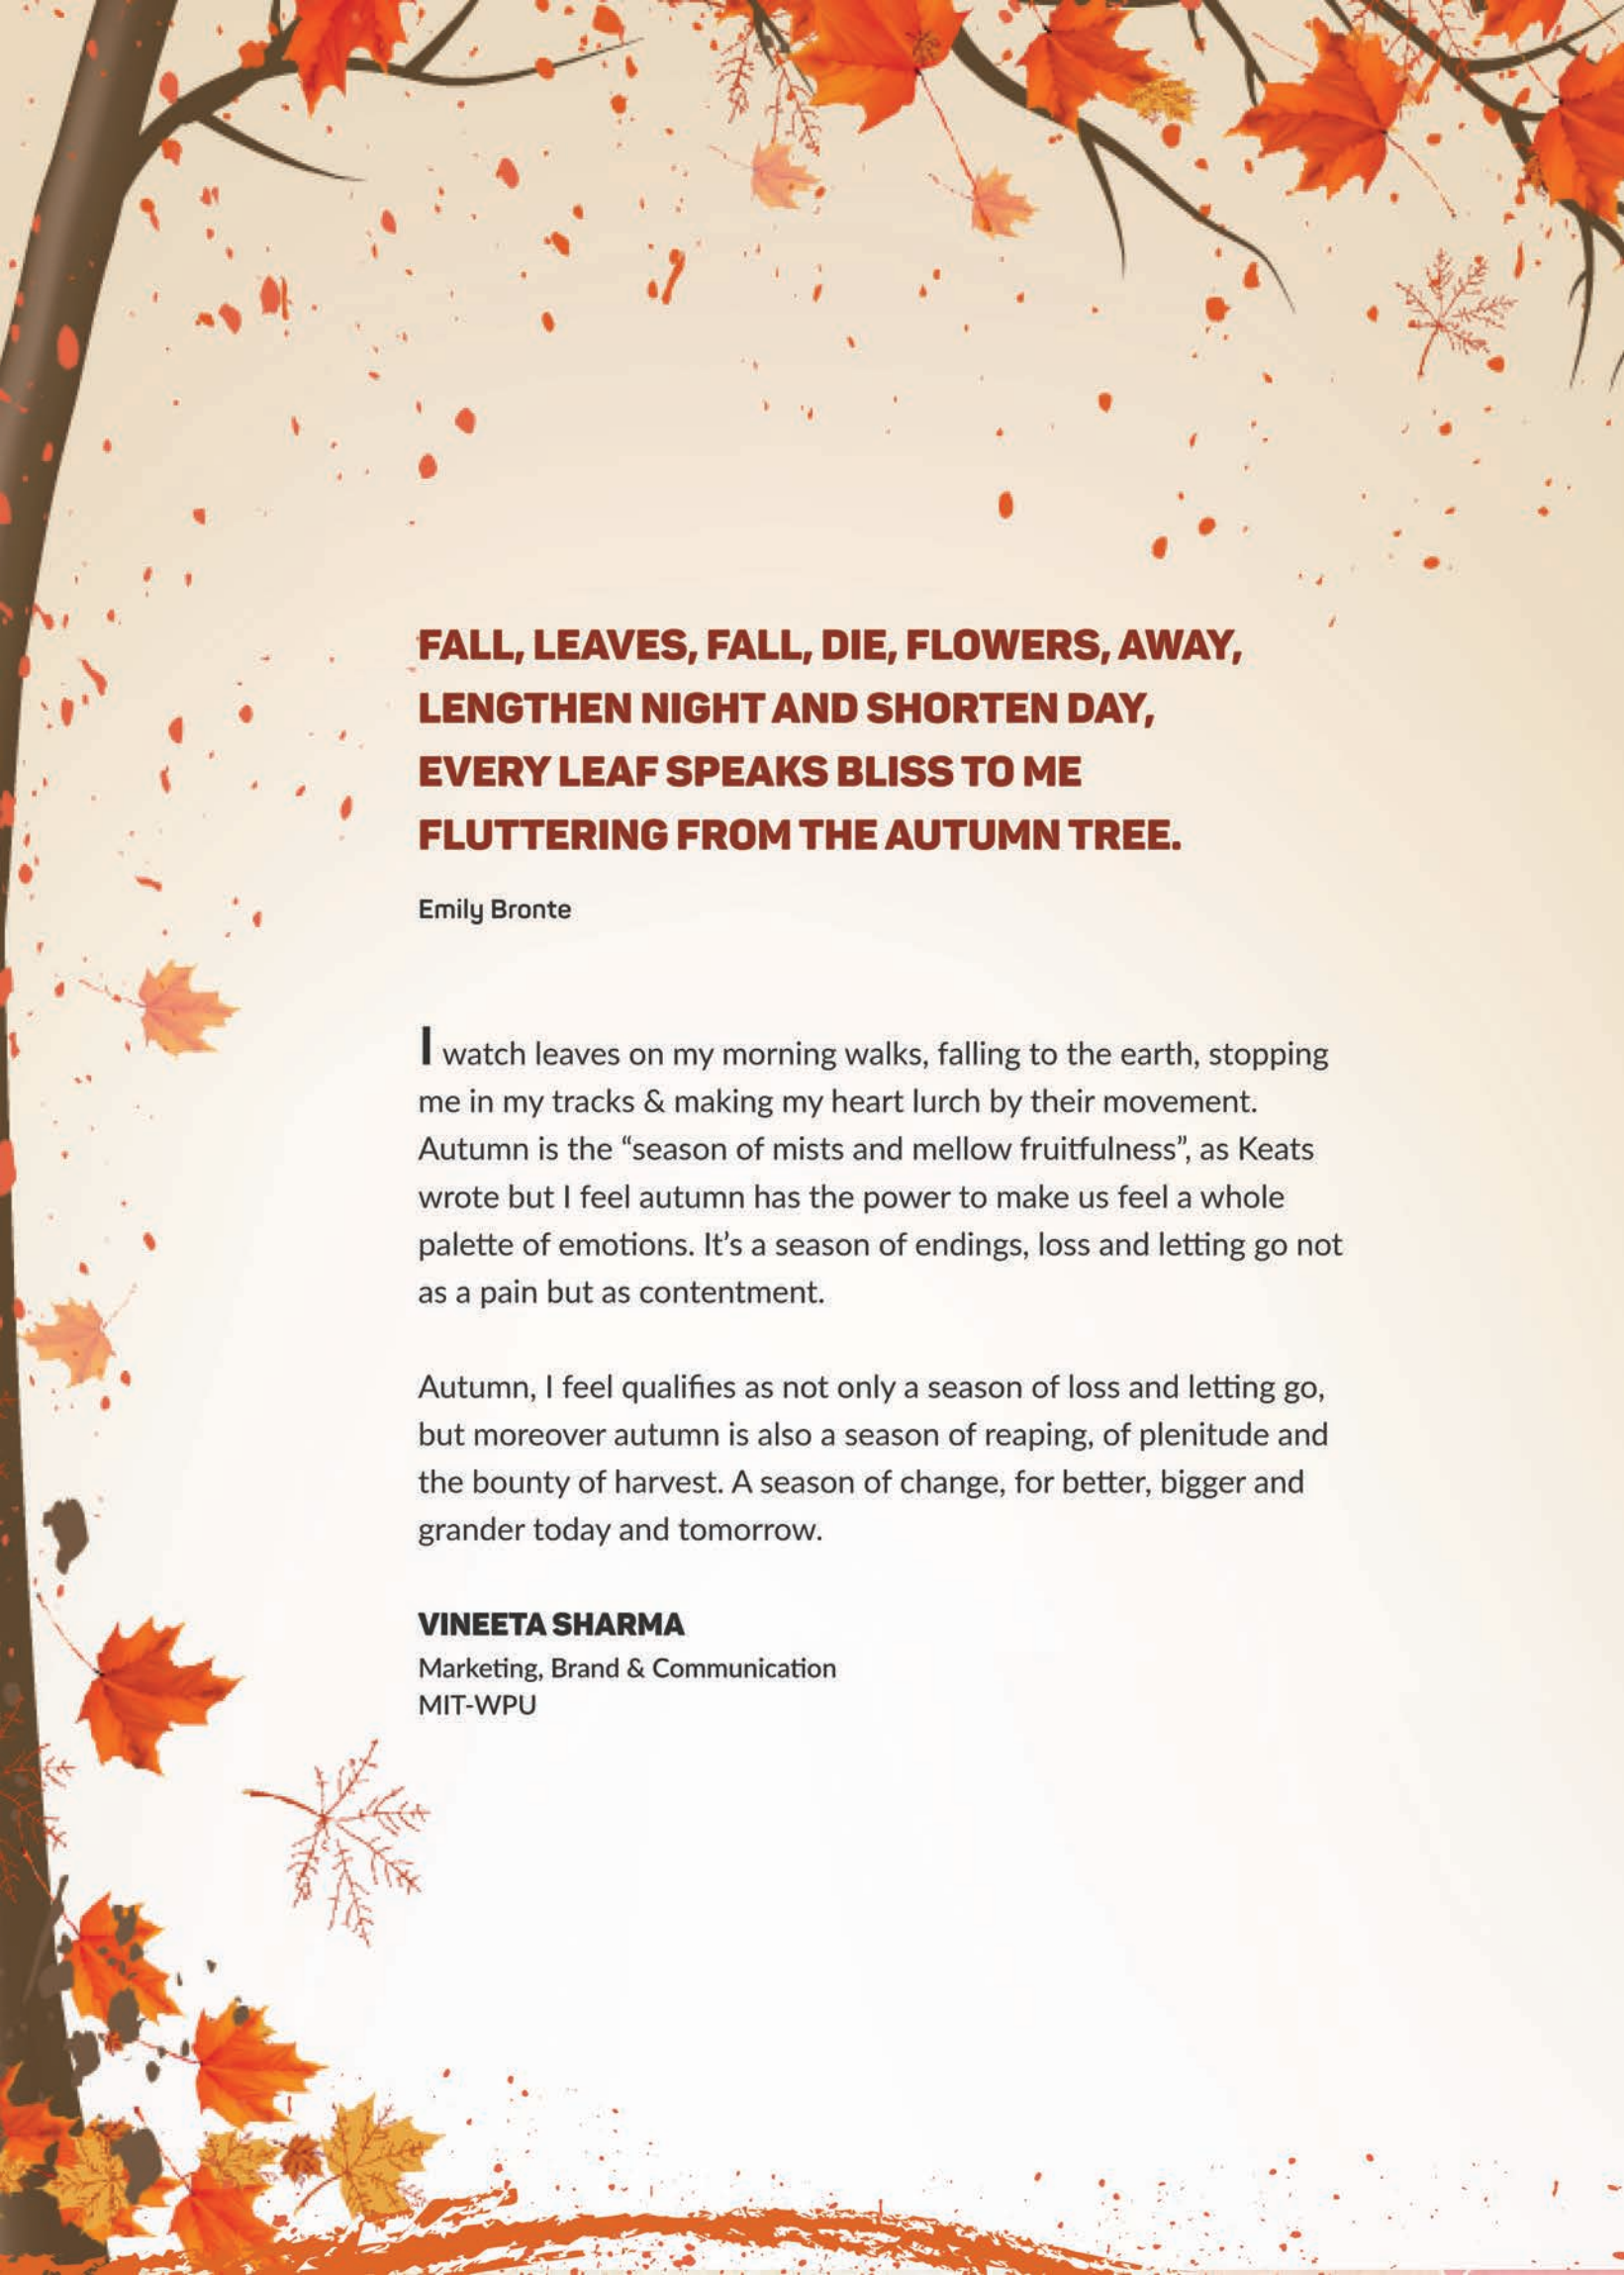

Change is the only constant. Even Mother Nature embraces change and sheds its previous form to take on a new, fresher one in autumn. For the willing, this phenomenon comes with a lesson.

In order to progress with the world and make the world progress, we must bring about changes and improvements that combine our ancient wisdom with new-age skills and technologies. In keeping with this thought, we inaugurated the Blockchain Center of Excellence, successfully conducted the latest edition of the Endowment Lecture Series, and organized the World Inter-faith Harmony Conference in the previous month.

Indeed, the best way to take Bharat to greater heights is through implementing the nouveau ideas for student and faculty performance that are infused with the bigger ideals of nation-building

**FALL, LEAVES, FALL, DIE, FLOWERS, AWAY,
LENGTHEN NIGHT AND SHORTEN DAY,
EVERY LEAF SPEAKS BLISS TO ME
FLUTTERING FROM THE AUTUMN TREE.**

Emily Bronte

I watch leaves on my morning walks, falling to the earth, stopping me in my tracks & making my heart lurch by their movement. Autumn is the “season of mists and mellow fruitfulness”, as Keats wrote but I feel autumn has the power to make us feel a whole palette of emotions. It’s a season of endings, loss and letting go not as a pain but as contentment.

Autumn, I feel qualifies as not only a season of loss and letting go, but moreover autumn is also a season of reaping, of plenitude and the bounty of harvest. A season of change, for better, bigger and grander today and tomorrow.

ACHIEVEMENTS

MIT-WPU students hold many achievements under their belt, be it individual or teams. One such exceptional MIT-WPU student is a table tennis champion Ms. Pritha Vartikar who won her first gold medal at the International Level U/17 category in Lebanon.

We extend to her our heartiest congratulations!

May her success take her even further.

Heartiest Congratulations to the MIT-WPU's Chess Team (Yash Watarkar, Shashank Dhagdhage, Yash Khandge, Nilesh Satpute, Saubhagya Singh, Ashmit Kumar, Vaishnav Paunikar) who qualified for All India University Chess at the National Level among 67 teams after winning series and zonal levels under the guidance of Dr. P. G. Dhanve (Director, Sports & Physical Education) and Nilesh Satpute.

The 5-day tournament was held at Indira Gandhi National Tribal Institute, Madhya Pradesh from 15th Nov to 19th Nov 2022.

XXVII ENDOWMENT LECTURE SERIES AND ORIENTATION WORKSHOP 2022

UNESCO Chair Programme for "Culture of Peace"

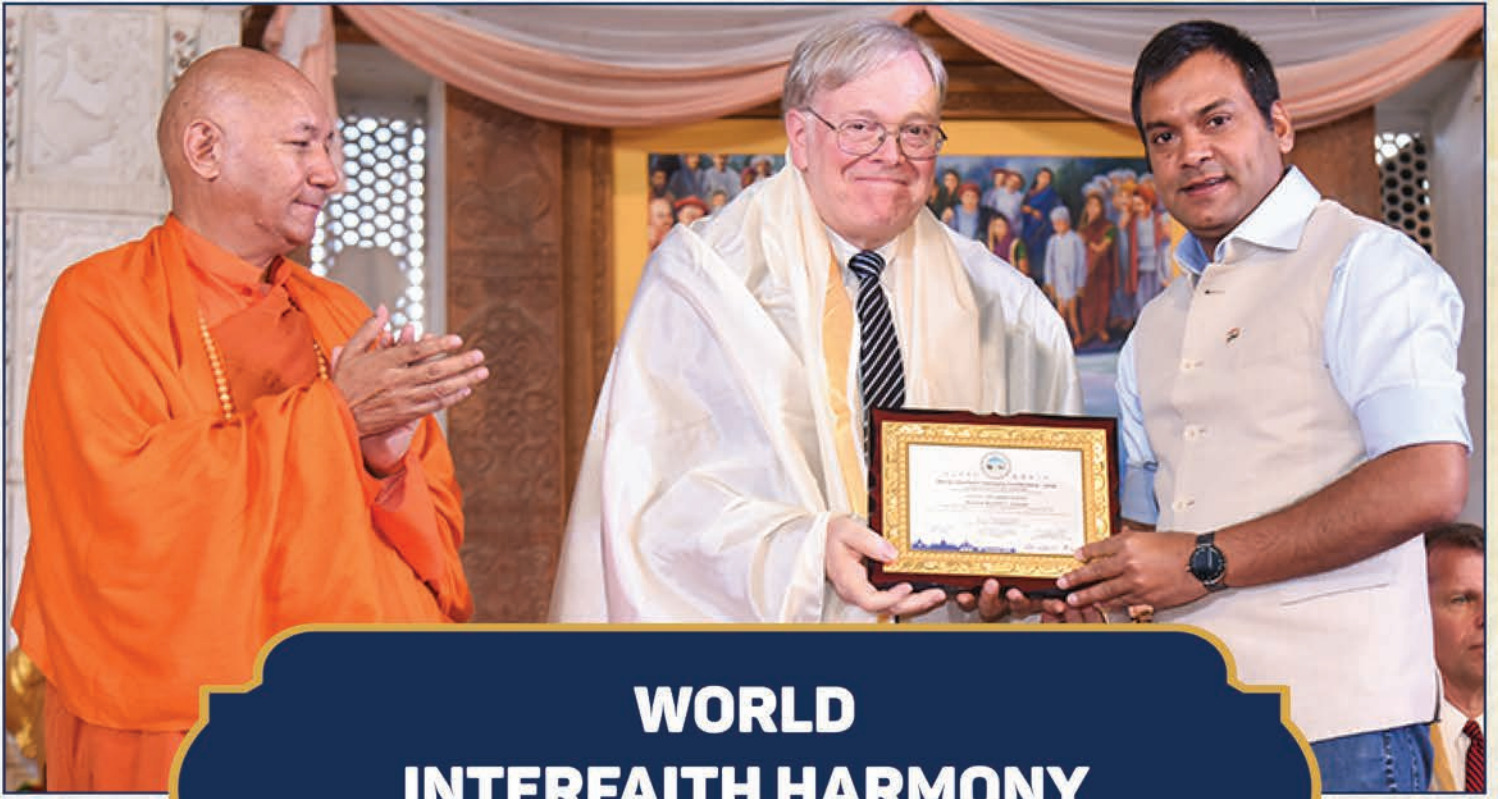

"There is no better start to a day than with yoga at MIT World Peace University, especially with hundreds of enthusiastic faculty members. A tradition we have followed ever since the inception of the ongoing Endowment Lecture Series, it is a tremendous way to experience oneness - with your physical self, emotional being, and even society at large. The peace and clarity a session leaves you with is food for the soul. Do you believe in the power of yoga too?"

- Shri. Rahul Karad

We were graced by the presence of Shri. Chandrakant Patil Ji, Minister for Higher and Technical Education, Govt. of Maharashtra.

WORLD INTERFAITH HARMONY CONFERENCE 2022

I immensely joyous to re-open the **World's Biggest World Peace Dome** to public once again after the pandemic alongwith the World Interfaith Harmony Conference. We would like to thank all the dignitaries who gave the message of striving for a utopian society as we unveiled the statue of Hon'ble Joseph Smith, the founder of Mormonism. We hope that everyone visits the world's biggest peace dome with their friends and families and experience its magnanimity as a symbol of hope and peace that we have dedicated to Bharat.

May it unite our great nation and propagate the message of harmony and democracy for years to come.

AAROHAN INTRO

Faces showing happiness and curiosity left the hall, awaiting the time of their lives.

With an electric performance of the flash mob, the introduction to Aarohan '23 sprinted into the hearts of freshers and new students with utmost enthusiasm. The flash mob gathered a large crowd of students and faculty who all left with smiling faces, refreshed and excited for the upcoming year.

Following that, students representing various cultural clubs showed their "A GAME" on stage in the Swami Vivekananda Hall, inviting new students to become a part of them.

FOR BETTER TOMORROW CO-CREATION PROGRAMME

MIT-WPU held a 5 days co-creation program where around 6500 students of the first year participated, collaborated and sought out necessary solutions for the societal problems

Under this programme, the faculty members were trained to supervise and guide students as well. This helped students to gain the most out of this experience through practical learning along with proper guidance.

BLOCK CHAINED!

The Blockchain Technology Centre of Excellence was inaugurated in the School of Computer Engineering and Technology, Room no DR-006.

This COE is being developed with the association of Snapper FutureTech Pune, which is a Blockchain Technology IT Company.

Following Goals will be achieved under this COE in a year's time.

1. Ethereum and Hyperledger Lab setup for Software Development
2. Lab setup training for Faculty
3. Blockchain Applications Use cases for Pilot understanding the applications
4. Train the Trainer program for Faculty (Skills Capacity Building)
5. Blockchain Software Development Training for Faculty and Students
6. Certification Mentoring
7. Internship for Students
8. Mentoring for Blockchain Entrepreneurships

No fees will be charged for any kind of assistance from this COE for MITWPU students and faculty. We are going to form a Blockchain Club, soon in December for faculty and students.

This is an initiative by CIAP and School of CET for all MIT-WPU stakeholders.

HUMARA NETA KAISA HO!!

MIT-WPU is one of the few universities to conduct the student council elections in a cultured and systematic manner.

All class representatives were given token numbers and the voting took place on a software platform called codetantra. Students were given 6 questions all relating to the qualities that they look for in a leader, and once all votes were pooled in, the results were announced the same evening.

Witnessing the celebration and sportsmanship at the result ceremony is indeed a thrill. Amidst the loud cheers and claps, the student council was formed with a sense of accomplishment and responsibility in the winners. Congratulations to the winners!

BAJI ROUT

Youngest Martyr of Bharat's Freedom Struggle

Bravery knows no age! Our glorious freedom struggle saw participation of people from all walks of life – young, old, men, women & even children. **Baji Rout** is one such child who confronted our colonisers and happily laid his life for our beloved Bharat mata.

Born on 5th October 1926, Baji came from a humble family in the village of Nilakanthapur (now in the state of Odisha). As a child, Baji was the witness to many atrocities of the British government officials in his village and felt the economic exploitation of his king, Shankar Pratap Singhdeo. On a subconscious level, Baji, therefore, developed hatred and anger for the British and the king in his childhood.

The late thirties of 1900 witnessed an intensification of the Prajamandal Movement in most of the princely states in Odisha which was formed to fight the atrocities of the British. The Prajamandal committee of Dhenkanal, a state that included Baji's village, formed a group called 'Banara Sena' to carry out and implement various decisions and orders of the committee. Baji's two brothers along with the entire village were members of this organization.

To suppress this movement, joint forces of the British and the king unleashed a reign of terror in various villages including Nilakanthapur. These were followed by many arrests. On the midnight of 11th October 1938, these troops, along with their poisoners, tried to cross over river Brahmani in Nilakanthapur village where the village's Banarsena rushed to the river to stop their ferry by detaining the village boat.

This Banarsena included nearly a dozen villagers along with Baji and his brother. Past midnight, the forces opened fire at them in which six persons including Baji were martyred. The martyrdom of Baji became a sensation in Odisha and he became a legend.

On 3rd November 2022, Union Education Minister Shri Dharmendra Pradhan inaugurated a national level football tournament, Baji Rout Cup, in the honour of Baji Rout.

तू कधी आकाशात सुंदर मेघांच्या रुपात,
तर कधी त्याच पावसात भिजलेल्या भिंतीतून झिरपणाऱ्या थेंबात!
तू कधी हळुवार वाहणार्या नदीत,
तर कधी आक्रांत ओरडत तांडव करणाऱ्या महा-प्रवाहात!
तू कधी भूगोलाच्या अभ्यासक्रमातल्या ९७ टक्क्यात,
तर कधी तुझा फक्त भासच व्हावा अश्या रण-रणत्या उन्हात!
तू कधी टपरीवर गरम उकळणाऱ्या चहात,
तर कधी किनाऱ्या समोरच्या अथांग महासागरात!
तू कधी प्रेयसीच्या खोडकर शिंतोड्यात,
तर कधी घायाळ प्रियकराच्या ग्लासात!
तू कधी अपमानित आणि उपेक्षिताच्या अश्रूत,
तर कधी काबाड कष्ट करणाऱ्या कामगाराच्या घामात!
तू कधी पोलिओ ला नेस्तनाबूत करणाऱ्या ठीबक्यात,
तर कधी जीवन-मरणाच्या वेशीवर टांगलेल्या सलाईनच्या थेंबात!
तू श्रीमंताच्या दारूच्या प्याल्यात,
