THE HEARTBEAT OF MIT-WPU

दीपांजली...
किरणों से रोशनी तक

MONTHLY NEWSLETTER
SEPT - OCT | VOLUME 31

From The Executive President's Desk

As we look back on the past two months, the spirit of celebration and achievement has filled the MIT-WPU campus with renewed energy. The festive season of Diwali and Vijayadashami reminded us that light is not just something we celebrate, but it is something we acquire through knowledge, compassion, and collective growth.

We began this period with the sacred Khande Navami Puja, a tradition of our MIT-WPU family that brings together students, faculty, and staff in devotion and gratitude. It was heartening to visit all the departments to perform puja and to see the entire MIT-WPU family participate with such enthusiasm, maintaining the values and traditions that characterise our institution.

The 7th Convocation Ceremony was another moment of immense pride as we celebrated the accomplishments of over 6,800 graduates. Their success represents not only academic excellence but also the leadership and commitment to peace that we aim to encourage in each student.

Our MIT School of Government's 21st batch has ventured on its journey through the Commencement Ceremony, reaffirming our commitment to developing educated and visionary leaders who will strengthen our democracy and contribute to the nation-building process with integrity, purpose, and informed leadership.

In line with our emphasis on research and innovation, we inaugurated several new facilities: The Chemical and Biological Analysis Laboratory, The Leadership Lab, The Dronex Innovation Lab, and, on Engineer's Day, The D.A.R.C. Lab, dedicated to cybersecurity research. Adding to this momentum, the newly inaugurated Computer Engineering Building stands as a hub for emerging technologies

- Artificial Intelligence, Machine Learning, Robotics and Automation, Data Engineering, and Human-Computer Interaction (HCI). Through these new facilities, MIT-WPU reaffirms its commitment to preparing future-ready technologists and innovators equipped to lead in an AI-driven world.

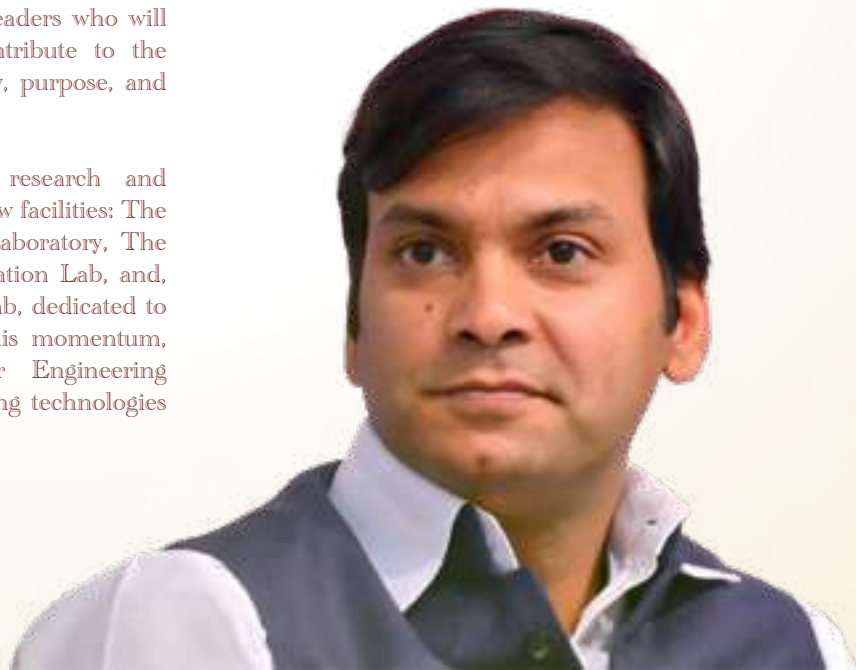

As the campus came alive with Diwali celebrations, it was heart-warming to see all the teachers, staff, students, and also our international students come together in joy and shared culture. These joyous moments remind me that education is, above all, about connection and the human spirit.

Let's carry that same warmth and sense of purpose into the days ahead, continuing to learn, lead, and light the way for others as we work together towards the larger goal of building a stronger and more progressive Bharat.

In pursuit of peace through education,

Dr Rahul V. Karad

Executive President, MIT World Peace University

Happenings

MIT-WPU at BSE: Shaping Global Financial Awareness

The MIT-WPU's School of Business, participated in the BSE Bell Ringing Ceremony during World Investor Week 2025. Dean Dr. Deependra Sharma and over 1,000 students formed a record-breaking Human Chain promoting financial awareness, witnessed by SEBI and BSE leaders. The event will feature in IOSCO's global report.

Industrial Visit to SMT Systems LLP, Bhosari

Guided by Dr. Parveen Kumar, 39 FY BBA IB students visited SMT Systems LLP, exploring manufacturing, quality control, and export logistics, linking classroom learning with real-world business practices.

Insightful session on “Learn LinkedIn Learning & Expand Your Horizon.”

MIT-WPU, Pune, hosted Mrs Saba Karim, Head – Academics & Government, LinkedIn India, for an engaging and insightful session on “Learn LinkedIn Learning & Expand Your Horizon.” In her address, she highlighted AI-driven upskilling, global job growth, and the vital role of professional branding and lifelong learning in shaping future-ready professionals.

MIT-WPU Strengthens Research in Petroleum Engineering

The Department of Petroleum Engineering has been awarded IPM Prosper educational licenses, a strategic support that will enhance our research capabilities, simulation tools, and academic programs. This partnership underscores our commitment to advancing petroleum education and equipping students with industry-relevant skills.

Khandenavami Puja

Khandenavami Puja at MIT-WPU filled with blessings as we united to celebrate the divine, joyful heritage, and shared spiritual resonance across the MIT-WPU family.

Lights of Unity: Diwali with International Students

International students at MIT-WPU celebrated Diwali with music, laughter, and cultural exchange, creating heartfelt memories that reflected harmony, friendship, and the joy of celebrating diverse traditions together.

Inauguration of Chemical and Biological Analysis Laboratory

MIT-WPU, Pune proudly inaugurated the Chemical and Biological Analysis Laboratory, marking another milestone in advancing experiential learning and international collaboration. The ceremony was graced by Prof. Jeff Keshen, President and Vice-Chancellor, and Mr. Michael Liu, Manager, International Relations and Partnerships from the University of Regina, Canada.

MIT-SOG Commencement Ceremony Inspires Future Leaders

MIT School of Government hosted the Commencement Ceremony for the Master's in Political Leadership and Government (MPG) Batch 21. The ceremony featured an enlightening address by Dr. Rahul V. Karad, Executive President, MIT-WPU, who emphasized the vital role of educated, ethical, and compassionate leaders in public life. Distinguished guests included Dr. D. P. Agrawal, Former Chairman, UPSC;

Shri Shyam Jaju, Former National Vice President, BJP; and Adv. Jayant Dattatraya Jaibhave, Member, Bar Council of Maharashtra & Goa. The event concluded with a symbolic oath-taking, celebrating the rise of visionary leaders dedicated to shaping India's democratic future.

Session on “Six Sigma on Wheels – The Supply Chain Secrets of Mumbai Dabbawallas.”

The School of Business, hosted an insightful session by Dr Pawan Agrawal (Speaker, Author and Educationist), on “Six Sigma on Wheels – The Supply Chain Secrets of Mumbai Dabbawallas.” In the session, he highlighted how Mumbai Dabbawallas achieve excellence through discipline, teamwork, and strong human values over technology.

Inauguration of the Leadership Lab at RSOL

The Ramcharan School of Leadership, MIT-WPU, inaugurated its Leadership Lab, graced by Prof. Dr. Ram Charan, inspiring students with insights on purpose-driven leadership, experiential learning, and values-based professional excellence.

Kyoorius Design Yatra 2025 – A Journey of Creativity and Innovation.

MIT-WPU School of Design students attended Kyoorius Design Yatra 2025 in Goa, engaging with industry leaders and gaining valuable insights into creative processes, innovation, and contemporary design thinking for future leadership.

Industrial Visit to Baker Hughes

Students and faculty from the Department of Petroleum Engineering, MIT-WPU recently visited Baker Hughes, a global leader in energy technology. The visit offered high-value exposure to cutting-edge upstream solutions, digital transformation, and sustainable energy practices, enabling our students to bridge classroom learning with real-world industry expertise.

Revolutionizing Energy: From Agri-Waste to Green Hydrogen

MIT-WPU developed carbon-negative technology converting agricultural waste into Green Hydrogen and BioCNG. With four patents and global recognition, this innovation advances India's Green Hydrogen Mission and sustainability goals.

Boot Camp for students of the School of Business

The Career Development Centre at MIT-WPU recently organised a Boot Camp for students of the School of Business. The program was designed to bridge the gap between academia and industry, providing students with Industry-oriented training, Placement preparation, Internship assistance & Guidance for higher studies.

National Study Tour to Ladakh

The Department of Economics & Public Policy organised a National Study Tour to Ladakh where students had the opportunity to visit SECMOL (Students' Educational and Cultural Movement of Ladakh) – a living example of how education, sustainability, and innovation go hand in hand. From exploring SECMOL's solar-powered campus to engaging with visionary leaders, the experience offered profound insights into self-reliance, climate resilience, sustainable tourism, and Ladakh's evolving socio-economic landscape.

Session with esteemed Pandit Guru Yadavraj Phad

Students from the Department of Liberal Arts embarked on their musical journey with the "Introduction to Indian Classical Music" elective, under the guidance of the esteemed Pandit Guru Yadavraj Phad. The session inspired learners to explore the richness of rhythm and melody, bringing together tradition and academic learning.

4th Late B. G. Deshmukh Memorial Lecture Series

Session with Chef Sudev Sharma

MIT-WPU School of Business and Department of Hospitality Management had the privilege of hosting Chef Sudev Sharma, Executive Chef- Blue Diamond, IHCL SeleQtions, Pune. During his session, Chef Sharma engaged with our students, offering in-depth perspectives on culinary excellence, hospitality management, and the evolving trends in the global industry.

MIT-WPU, Department of Economics and Public Policy in collaboration with the Public Concern for Governance Trust (PCGT), hosted the 4th Late B. G. Deshmukh Memorial Lecture Series on "Governance and Administration." The lecture series served as a platform for young minds to engage with the evolving challenges of governance in Bharat.

Industrial Visit to Weikfield, Pune

Students of BBA (International Business) had an amazing opportunity to visit Weikfield, Pune as part of the Industry Visit organized by the Faculty of Business and Leadership. The visit gave valuable insights into real-world industrial operations, manufacturing processes, and supply chain management.

Inauguration of the D.A.R.C. Lab

On Engineer's Day 2025, MIT-WPU's Department of Computer Engineering and Technology inaugurated the D.A.R.C. Lab (DeepCytes Advanced Research in Cybersecurity Lab), empowering students with advanced research and training in cybersecurity and digital defense technologies.

Smart India Hackathon (SIH) 2025 – Round 1

MIT-WPU proudly hosted Round 1 of the Smart India Hackathon 2025. The event witnessed participation from over 550 teams and 3,500 students nationwide, showcasing innovative, impactful solutions across diverse domains. Supported by 100 evaluation panels, 175 offline and 25 online jurors, the hackathon celebrated creativity, collaboration, and India's Atmanirbhar vision.

Honouring Anandibai Gopal on Doctors' Day

On Doctors' Day, the Indian Historical Research Committee and D.E.S. Brijlal Jindal College of Physiotherapy organized a memorial event for India's first woman doctor, Anandibai Gopal, at Kundanmal Firodia Auditorium. MIT-WPU B.Ed. students performed Ganesh Vandana and received special appreciation from Dr. Medhatai Kulkarni, MP Rajya Sabha. Led by Dr. Kulkarni and coordinated by Dr. Vandana Kenjale, the event honored eminent doctors and featured a national essay competition celebrating Anandibai's extraordinary life and legacy.

Eco-Friendly Ganapati Idol Making Workshop

The Departments of Education and Visual Arts at MIT-WPU organized an Eco-Friendly Ganapati Idol Making Workshop led by faculty experts, encouraging students to craft idols using sustainable materials and adopt environmentally responsible creative practices.

Prospect Award by Swayam NPTEL

The MIT-WPU Swayam NPTEL Local Chapter at Dr. Vishwanath Karad MIT-WPU proudly received the Prospect Award from Swayam NPTEL. This honor recognizes institutions with over 500 student registrations and a ranking among the Top 200 Local Chapters nationwide out of more than 7,000 participants.

Librarians' Day Special: Donate for a Cause

On 12 August 2025, the Knowledge Resource Centre, MIT-WPU, organized a Stationery Donation Drive supporting students at Kai Annasaheb Patil Prathmik Vidyalaya. Essential items such as pens, pencils, notebooks, crayons, and erasers were donated. Led by Vandana Dhumal, Kalyani Gokhale, Govind Kande, and the KRC team, the initiative celebrated generosity, learning, and community spirit.

Student Achievements

Pratibha Excellence Award from Eaton

Ananya Shimpi & Yukta Bande, TY B.tech CSE students, has received the prestigious Pratibha Excellence Award from Eaton, standing among national winners and exemplifying excellence, perseverance, and inspiration for aspiring women engineers.

AIR 1 at the SAE National Embedded Competition

Team AVION has earned national recognition by securing All India Rank 1 at the SAE National Embedded Competition 2025, hosted by Christ University, Kerala. Their award-winning project, an IoT-Enabled Multi-Sensor Safety System, delivers real-time hazard detection and automated emergency response, showcasing both technical excellence and socially impactful engineering.

Rewind and Recode Hackathon

Our students Vivaan Mathur, Kaustubh Pandey, Shrinath Nawale, and Siddharth Mane [Team CodeForge], has emerged as the winner of the Rewind and Recode Hackathon, organized by IIIT Bhubaneswar and co-hosted by the SIT ACM Student Chapter. They will now represent Maharashtra in the National Finals at IIIT Bhubaneswar this November.

15th National Dance Sport Championship 2025

Inayat Dua, a FY BA Psychology student has secured Gold in Kathak and Salsa at the 15th National Dance Sport Championship 2025. Her accomplishment demonstrates exceptional skill, commitment, and performance at the national level.

MIT-WPU Triumphs at IIT Bombay's Mood Indigo

MIT-WPU's Cultural Club won the Pune Multicity Championship Trophy at Mood Indigo, Asia's largest cultural festival, earning five golden tickets and showcasing creativity, teamwork, and artistic brilliance across dance, music, and art.

Team Pro-Karters at FKDC-2025

Team Pro-Karters proudly represented MIT-WPU at FKDC-2025, Kari Motor Speedway, Coimbatore, 10–15 October 2025. They excelled in static and dynamic events, earning Best Skid Pad (AIR-1), Best Design Evaluation (AIR-1), and Second Best Acceleration (AIR-2).

Team ProKarters Shines at Morphins MMS Event

Team ProKarters has secured the First Runner-Up (AIR 2) position in the Electric Vehicle (EV) category at the prestigious Morphins MMS Event,

organized by Morphine Motorsports at the Raftaar Gokarting Track, Pune. Team ProKarters was also awarded 'Best Endurance' in the EV category a testament to their technical excellence, strategic execution, and cohesive teamwork.

6th Mumbai Film Festival

UPYA, directed by Dev Kadam, a third-year B.A. Filmmaking student at MIT-WPU's Dadasaheb Phalke International Film School, has been officially selected for the 6th Mumbai Film Festival, celebrating emerging cinematic talent and storytelling excellence.

Team Supra Acceleracers Excel at Supra SAE 2025

Team Supra Acceleracers from MIT-WPU delivered an outstanding performance at Supra SAE 2025, Buddh International Circuit, Noida, achieving Overall AIR 2, AIR 1 in Skidpad, Engineering Excellence, and Static Events, and AIR 2 in Acceleration. Guided by Prof. Heramb Phadake and Prof. Arun Mali, the team also became the first to clear all three technical inspections, setting remarkable benchmarks in automotive engineering.

IADC International Scholarship

Students from the Department of Petroleum Engineering at MIT-WPU, Mr. Moharjyoti Chakraborty and Mr. Syed Uzairuddin Nehri, have been awarded the IADC (International Association of Drilling Contractors) International Scholarship of \$5000.

First prize in a handwriting and elocution competition

FY B.Ed. student Sakeena Tabassum Javed Akhtar won first prize in a handwriting and elocution competition held in honor of Swami Vivekananda's historic speech delivered on 11 September 1893 at the World's Parliament of Religions in Chicago.

MIT-WPU B.Ed. Students Excel in CBSE CTET Exam

The B.Ed. students : Meghali Rugge, Padmavathi, Anuja Tekale, Nidhi Sharma, Preksha Telang, Sandhya Kumari, Suprava Mukhiya, Sonal Ambhore, Samiksha Khande, Deepti Singh and Shambhudev Sonavane successfully cleared the CBSE CTET Teachers' Eligibility Examination on their first attempt, reflecting their dedication and academic excellence.

Team BOLT Triumphs at FMAE Moto Student 2025

Team BOLT from MIT-WPU achieved outstanding success at the FMAE Moto Student 2025 in Coimbatore, winning five trophies including All India Rank 1, Best Design, Autocross Winner, Cost Event Runner-Up, and Acceleration Runner-Up.

Faculty Achievements

MIT-WPU Faculty Recognised Among World's Top 2% Scientists

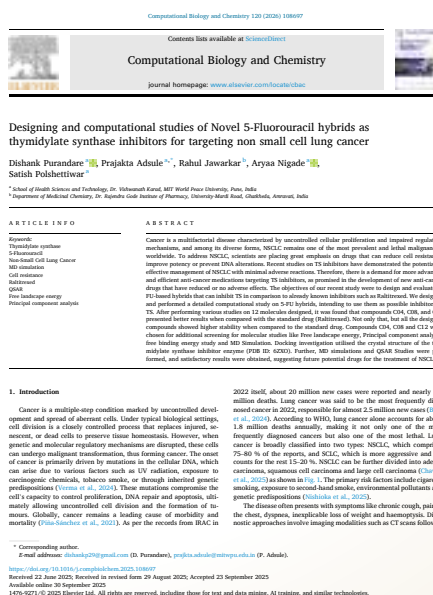

Dr. Shvetank Bhatt and Dr. Pralhad Pesode, featured in the World's Top 2% Scientists list by Stanford University and Elsevier, for their exceptional research excellence and global academic impact in pharmaceutical sciences and engineering.

Published Research Work in Computational Biology and Chemistry (Elsevier)

Mr Dishank Purandare, B. Pharm student, have successfully published their research work in Computational Biology and Chemistry (Elsevier), a Q2 journal with an impact factor of 3.2. <https://www.sciencedirect.com/science/article/pii/S1476927125003585>

The paper, titled “Designing and computational studies of Novel 5-Fluorouracil hybrids as thymidylate synthase inhibitors for targeting non-small cell lung cancer” <https://doi.org/10.1016/j.combiolchem.2025.108697>, has been published under the guidance of Dr. Satish Polshettiwar and Dr. Prajakta Adsule.

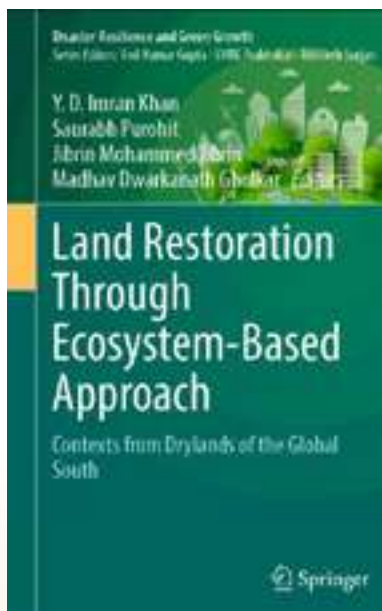

MIT-WPU Faculty Publishes in Q1 Journal

Prof. Dr. Saurabh Ardra, Assistant Professor at the School of Business, published his research in the Journal of Business & Industrial Marketing, a Scopus Q1, ABDC-A ranked journal, reflecting his commitment to scholarly excellence and meaningful contribution to the global body of knowledge in business and supply chain innovation.

MIT-WPU Publishes Research Chapter in Springer Nature

MIT-WPU, Pune marks a significant academic achievement with the publication of a research chapter titled "Mitigating Climate Change Through Sustainable Farming: An Organic Approach for Dryland Resilience in Maharashtra" in Springer Nature. Guided by Dr. Sandhya Sreekumar and Ms. Sheetal Walvekar from the Department of Economics and Public

Policy, students Swati Nirala and Enosha Fatima Arshad from the Bachelor's of Government and Administration programme contributed valuable insights that strengthened the research outcomes.

Honored with the Teaching Excellence Award

Dr. Omkar K. Kulkarni, Assistant Professor, Department of Mechanical Engineering, MIT-WPU, received the IEI NMLC-FCRIT Teaching Excellence Award 2025 for his remarkable contributions to engineering education and innovative teaching practices.

Green World Dr. Sarvepalli Radhakrishnan Shikshanratna Award

Dr. Sachin Sakhare and Asst. Prof. Priya Kale from the Department of Education, MIT-WPU has received the prestigious "Green World Dr. Sarvepalli Radhakrishnan Shikshanratna Award on the occasion of World Teachers' Day. This award was given by The Jadhavar Group of Institutes and Green World Pune.

Dr. Anagha Mahajan Honored with Jamunabai Govindji Madhavji Prize

Dr. Anagha Arun Mahajan, Assistant Professor, School of Education, MIT-WPU, received the Jamunabai Govindji Madhavji Prize from S.N.D.T. Women's University for her Ph.D. research on MOOCs, flipped learning, and self-regulated learning.

Distinguished Speaker at the International Workshop

Dr. Vijayapandi Pandey, M.Pharm, Ph.D. (BITS-Pilani), served as a Distinguished Speaker at the ICMR- and ANRF-sponsored International Workshop on Innovative Paradigms in Preclinical Research, held at Vignan Pharmacy College, Guntur.

Asst. Prof. Jyoti Tekale Leads Creative Workshop at Symbiosis School

Assistant Professor Jyoti Tekale conducted an Eco-Friendly Ganpati idol-making workshop for parents and a Mud Art activity for primary students, inspiring creativity, sustainability, and artistic expression through hands-on learning.

Prof. Dr. Sagar H. Mohite Receives Reviewer Recognition

Prof. Dr. Sagar H. Mohite received Reviewer Certificates from the International Journal of Innovative Research in Technology (Impact Factor 8.01) and the Asian Journal of Research in Computer Science for his excellence in research paper evaluation.

Lean Manufacturing Expert Certification from IIM Bangalore

Prof. Dr. Shivprakash Barve, Prof. V. V. Kulkarni, and Prof. Niranjana Khair from the Department of Mechanical Engineering achieved the Lean Manufacturing Expert Certification from IIM Bangalore for the academic year 2024-2025.

Mous & Collaborations

MoU with CHSS Hyderabad

MIT-WPU signed an MoU with the Center for Human Security Studies (CHSS), Hyderabad, fostering internships, mentorship, and academic collaboration in internal security, defense, and external affairs.

MoU with TruckX for Industry Collaboration

MIT-WPU signed an MoU with TruckX to enable hands-on product design training, live projects, and industry-based research in Fleet Management and Internet of Things (IoT).

MoU with Solomon & Co., Mumbai

MIT-WPU established an MoU with Solomon & Co., Mumbai, fostering legal research, curriculum enrichment, and professional skill development, leveraging the firm's distinguished legacy of over 115 years.

Collaboration with State Street

MIT-WPU extends heartfelt gratitude to State Street, Pratima Dubey Ji, and Janhvi Gangani Ji for their collaboration in fostering career opportunities and strengthening the industry-academia partnership for future leaders.

MoU with ICAR-IARI, New Delhi

MIT-WPU's Department of Biosciences and Technology signed an MoU with ICAR-IARI, New Delhi (Regional Station, Pune) to advance collaborative research, innovation, and capacity building in sustainable agriculture and biotechnology.

MIT-WPU collaborate with Deutsche Bank

MIT-WPU is delighted to collaborate with Deutsche Bank for the campus recruitment of the 2026 batch, strengthening career opportunities and reinforcing industry-academia excellence in global banking and finance.

MoU with Pattern Technologies Pvt. Ltd.

MIT-WPU, through CIAP, signed an MoU with Pattern Technologies Pvt. Ltd. to foster industry-academia collaboration, enabling real-world exposure, skill advancement, and the development of future-ready professionals.

MoU with Meta For Data Technologies

MIT-WPU partnered with Meta For Data Technologies to strengthen academia-industry collaboration, offering students real-world learning and industry-aligned opportunities through CIAP's efforts and the support of the School of Economics and Statistics.

MoU with Mikro India

MIT-WPU, Pune signs an MoU with Mikro India proudly, bridging academia and industry. The collaboration focuses on Laser Technologies, Robotics, and Assembly Line Automation, enabling student and faculty exchanges, internships, industrial projects, expert lectures, curriculum inputs, knowledge sharing, and hands-on learning to advance advanced technologies.

MoU with Dronex Innovation Lab

MIT-WPU, in collaboration with AiRotor Technologies LLP, Ahmedabad, inaugurated the Dronex Innovation Lab to advance drone research and innovation. The facility aims to foster hands-on learning in UAV technologies, including AI, 5G, and Swarm Intelligence, reaffirming MIT-WPU's dedication to industry-academia collaboration and next-generation technological excellence.

Spotlight

MIT-WPU 7th Convocation Ceremony

MIT-WPU, Pune, celebrated its 7th Convocation Ceremony, graced by Hon'ble Dr. C. V. Ananda Bose, Governor of West Bengal, and Prof. Dr. Ram Charan, globally renowned business advisor and author.

Over 6,800 graduates received degrees, with exemplary students recognized for research and innovation. In addition, Prof. Dr. Vishwanath D. Karad, Founder & Chief Patron of MIT-WPU, was conferred the Governor's Award of Excellence by Dr. C. V. Ananda Bose, recognizing his lifelong dedication to education, world peace, and nurturing future-ready leaders.

DEEPOTSAV 2025 - Celebrating the Light Within

A heartwarming evening filled with joy, music, and togetherness — Deepotsav 2025 was a special celebration dedicated to our incredible teaching and non-teaching staff, the true pillars of MIT-WPU. From soulful musical performances and graceful dances to engaging skits and laughter-filled moments — our talented staff members lit up the stage with their creativity, enthusiasm, and festive spirit.

Hon. Dr. Rahul V. Karad Felicitated at CPA India Region Conference

Hon. Dr. Rahul V. Karad, Executive President of MIT-WPU, was felicitated at the 11th Commonwealth Parliamentary Association India Region Conference in Bengaluru by Hon'ble Shri Om Birla for his visionary leadership and initiatives like NLC Bharat, promoting dialogue, unity, and democratic capacity building across India and beyond.

Excellence Awards 2025: Celebrating Leadership on the Birthday of Our Visionary Executive President

MIT World Peace University celebrated the birthday of Hon. Executive President Dr. Rahul V. Karad through the Excellence Awards 2025, honoring his exemplary leadership and commitment to purposeful education.

The Excellence Awards 2025 recognised individuals whose contributions exemplify leadership, innovation, research, and loyalty—pillars that strengthen the foundation of MIT-WPU.

- Leadership (Academics): Dr. Siraj Ahmed Bhatkar
- Leadership (Administration): Mr. Rhishikesh Jagdish Shrikhande
- Innovation – Process/Product (Academics): Dr. Sumedha Dhananjay Sirsikar
- Innovation – Process/Product (Administration): Mr. Jayprakash Vilas More
- Academic Research: Dr. Pankaj Pramod Koparde
- Student Transformative Initiative (Academics): Dr. Ajit Baburao Deore
- Recognition Beyond Boundaries: Dr. Sandeep Chandrakant Potnis
- Loyalty (Academics): Dr. Sunil Sudhakar Pimplikar
- Loyalty (Administration): Mr. Rohidas Sopan Vidhate

The evening concluded with a thought-provoking keynote by Shri Manoj Muntashir Shukla Ji, who left the audience with thought-provoking reflections on creativity, values, and social change.

MIT-WPU Inaugurates iOS Development Centre Powered by Apple and Infosys

MIT-WPU is proud to announce the inauguration of its iOS Development Centre, powered by Apple and Infosys. Launched on the birthday of our hon. Executive President, Dr. Rahul V. Karad, this milestone reflects our commitment to pioneering education, innovation, and global opportunities for students.

Faculty Contribution

“बदलाव की जरूरत
आज से है,
अभी से है,
और हमसे है”

Written by- Bharati Saikrupa,
Ph.d (Education) Full Time Scholar,
MIT-WPU

चलो उठे, अब वक्त नहीं,
सपनों को बस देख भरें।
शिक्षा का दीप जलाना है,
अंधेरो से हम लड़ें।
कदम-कदम पर प्रश्न है,
उत्तर हमें ही ढूँढने हैं।
हर बच्चे में है उजाला,
उस उजाले को बाँधना है।
ना कहो “कल करेंगे”,
वक्त तो बस “अब” ही है।
जो बोएंगे संस्कार आज,
वही भवष्य की भूमि है।
ना कोई और आएगा,
ना कोई चमत्कार होगा।
बदलाव हमसे ही होगा,
यही सच्चा उपकार होगा।

Happy
Teachers
Day

You Are Living Pulse

The HeartBeat of MIT-WPU

Dear Esteemed Readers,

As we celebrate this radiant “दीपांजली... करिणों से रोशनी तक” edition of Pulse, we bask in the glow of stories that illuminate our collective spirit. Each narrative reflects the light of courage, innovation, and compassion that shines across the MIT World Peace University community.

This season of light reminds us to spread warmth through our ideas, illuminate paths through our actions, and inspire change through our unwavering commitment to peace and progress. The sparks of brilliance featured here—of students, faculty, and alumni—come together to form a luminous tapestry of hope and achievement.

As every diya leads to a brighter tomorrow, let us continue to nurture the flame of knowledge, integrity, and empathy within us all. Together, we shine brighter, lighting the way toward a future of harmony and enlightenment.

With heartfelt wishes for a festive season filled with light, learning, and inspiration.

Regards
Team Pulse
