**ADMISSIONS
OPEN 2026**

School of Health Sciences & Technology

The School of Health Science & Technology at MIT-WPU delivers excellence in various disciplines such as epidemiology, biostatistics, reproductive health and environmental health through an interdisciplinary approach that bridges medicine, engineering, biology, and computer science. Our innovative curriculum fosters comprehensive healthcare understanding while developing critical problem-solving skills. Through strategic partnerships with premier hospitals and research institutions, we ensure hands-on learning that prepares students for dynamic careers in the evolving healthcare landscape.

Department of Public Health

The Department of Public Health at MIT-WPU champions the mission of “Health for All” by preparing transformative leaders who address complex population health challenges. Our comprehensive curriculum develops expertise in epidemiology, health policy, community engagement, health promotion and sustainable interventions while emphasising social determinants and health disparities. Through evidence-based learning and partnerships with, leading NGOs, and corporate health initiatives, students gain practical experience alongside theoretical knowledge. Graduates excel in healthcare administration, policy development, research, and global health initiatives, equipped with analytical rigour and cultural competency to create meaningful change across local and international communities.

Key Highlights

- **Interdisciplinary Curriculum:** Comprehensive exposure to diverse public health challenges with a focus on socio-economic disparities and population well-being
- **Customisable Tracks:** Tailored education in Epidemiology, Gender & Nutrition to match individual career interests.
- **Strategic Global Partnerships:** Direct engagement with SEARCH, JHPIEGO, PATH, NARI, SHSRC and leading public health organisations
- **International Exposure Programmes:** Study tours and academic immersion with national and international public health institutions for a global perspective
- **Hands-on Practical Training:** Real-world application through internships, community engagement, field visits, and collaborative projects
- **Live Project Integration:** Active partnerships with government agencies, private corporations, and NGOs for authentic learning experiences
- **Modern Student-Centered Pedagogy:** Constructivist learning approach with meta-cognitive strategies fostering scientific inquiry and innovation
- **Career-Ready Preparation:** Training for roles in healthcare administration, policy analysis, research institutions, and international health organisations

Rs.6.5 Lakhs PA

The dedicated Placement Cell, which is the Centre for Industry-Academia Partnerships (CIAP) at MIT-WPU, opens doors to multiple career opportunities for graduates. With a consistent track record of high placements, the cell connects students with prestigious organisations/firms, providing career guidance and preparing them for the professional arena. This programme propels students into professional ecosystems, providing practical insights crucial for their careers.

Our Top Recruiters

International University Collabs

MIT-WPU continues to foster, strengthen, and sustain global relationships. We extend intercultural networks for our students and strive towards global leadership. The initiatives include student and faculty exchange programmes, summer and winter programmes, research associations, and international immersions. We also offer semester-abroad programmes, project mentorship, extra credit programmes, and enriching intercultural activities. MIT-WPU has built partnerships with over 40 universities, including Deakin University, Macquarie University, Monash University, University of Vermont, Eastern Michigan University, and Virginia Commonwealth University, among others.

LIFE @ MIT-WPU

100+ student clubs at MIT-WPU stand as a vibrant community within the academic hub. The clubs give students an extraordinary opportunity to engage in a wide array of activities, events and competitions for personal and professional growth.

Hostel

MIT-WPU offers fully equipped, cutting-edge hostel facilities to students, both on and off-campus, ensuring a comfortable and secure living environment. Students can choose between twin-sharing and triple-sharing rooms, all of which come with unlimited high-speed Wi-Fi and housekeeping services. Our hostels are overseen by full-time wardens, equipped with CCTV monitoring, and feature biometric-enabled entrances to prioritize safety.

- Live food counters with fresh, hygienic, nutritious meals in multiple cuisines.
- In-house laundry facilities for student convenience.
- On-call doctors and hospital tie-ups for emergencies.
- Recreation zones with dance/yoga rooms, gym, gaming area, hangout zones, and reading room.
- Dedicated transport between hostels and campus.
- Modern facilities with housekeeping and high-speed internet.
- 24x7 campus security with biometric entrances and round-the-clock wardens.

Degree++ Courses

Understand the problems of Bharat and employ technical skills to benefit society.

→ **Life Transformation Center**

Journey of reflection and self-discovery

THIRD YEAR

→ **National Immersion Programme**

Exposure to and appreciation of academic, cultural and regional diversity

→ **Democracy, Leadership Governance & Public Policy**

Contribute to society using critical thinking and by embracing different viewpoints

About MIT-WPU

With a rich legacy of 43+ years in fostering world-class academic excellence and over 100,000 alumni across the globe, MIT-WPU is one of the premier centres of higher learning in India. Today over 25,000 students from diverse backgrounds across the world are experiencing 'life transforming curriculum' across a multitude of professional academic programmes.

Currently, students are pursuing education in over 150 programmes at MIT World Peace University. Located in the picturesque city of Pune, the MIT-WPU campus is surrounded by key civic infrastructure and sprawls over 65 acres of lush green campus.

DARSHANKUMAR THAKARE
MASTERS OF PUBLIC HEALTH

The Masters of Public Health at MIT-WPU has provided a truly transformative educational experience. The curriculum offers broad exposure to pressing public health issues and helps students develop strong analytical and research skills. Learning about the impact of socioeconomic and environmental factors on health has greatly expanded my understanding. The department's supportive faculty encourages scientific inquiry and inspires innovative thinking. Career opportunities span government, NGOs, and industry, giving confidence to contribute meaningfully to global health challenges. I feel prepared and empowered to tackle complex problems and work toward a healthier world for all.
