- 7 Industry visits, guest lectures, seminars, and workshops by eminent corporate leaders from top corporates and institutions such as EY, KPMG, RBI, NABARD, and many other corporations.
- 8 Dedicated Centre for Industry-Academia Partnerships to support students through structured assessments, training, and grooming activities for the best job opportunities
- 9 Designed to align with the evolving policy landscape, including a focus on the National Education Policy (NEP).

Dean's Message

Greetings from the School of Economics and Commerce at MIT World Peace University.

In the pursuit of education, it is often said that true enlightenment goes beyond the mere acquisition of facts; it harmonizes our lives with the entire spectrum of existence.

With the ever-changing and evolving modern-day economic scenario, it is the need of the hour to equip tomorrow's professionals with the ability to adapt to change and overcome the challenges posed. In line with this new approach, Economics and Public Policy play a central role in interdisciplinary education, a key focus outlined in the National Education Policy (NEP) 2020.

At the Department of Economics and Public Policy within our esteemed School, the undergraduate and post-graduate programs are tailored to address evolving challenges of our times. Our curriculum is rooted in contemporary perspectives and backed by empirical research, to provide a strong foundation in theory and quantitative methods.

The programs in the Department of Economics and Public Policy not only explore the complexities of economic theory and practice but also broaden horizons by contextualizing these concepts within the larger fabric of the external world. Central to our ethos is the enhancement of economic development and social progress—a driving force that underpins our commitment to empowering students to tackle the nation's socio-economic challenges head-on, devising innovative solutions to uplift the economy.

The Public Policy program empowers students to understand the various factors influencing policy formulation and implementation. The programme offers a holistic overview of Indian administration, governance, and policies, providing a robust foundation for success in competitive examinations.

We offer a blend of interactive learning methods with traditional classroom teaching, fostering conceptual clarity, igniting debates, and nurturing critical thought. This synergy enables students to lay the foundations for a fulfilling career in Economics and Public Policy domain. Additionally, Value-Added Programmes and Short-Term Certificate Courses enrich students' skill sets, aligning them with industry needs and improving their practical abilities.

As a part of MIT-WPU methodology, our unique Peace course, accompanied by Yoga and meditation, exemplifies our holistic approach to education. Immersion programs imbue experiential learning, complementing our blend of classroom instruction, project-based endeavors, and outcome-driven education.

At MIT-WPU's School of Economics and Commerce, you will experience an engaging learning atmosphere paired with a curriculum that offers a strong academic foundation and a diverse array of elective courses. Through classroom interactions with your professors and fellow students, you develop your analytical skills and ability to communicate effectively. The amalgamation of coursework, internships, and community engagement fosters comfort in the professional realm while nurturing a sense of social responsibility.

With enthusiasm, I anticipate welcoming you to the enriching academic journey that the School of Economics and Commerce offers.

DR. ANJALI SANE
Dean
School of Economics and Commerce, MIT-WPU

Academic Programmes

B.SC. ECONOMICS

The B.Sc. Economics Programme offers a dynamic learning experience that spans various dimensions. Its interdisciplinary curriculum encompasses a range of courses, including Financial Economics, Applied Econometrics, Statistics, Labor Economics, Health Economics, and Public Policy. This program grants students the flexibility to select either Public Policy or Finance tracks, aligning their academic pursuits with their career aspirations. These diverse courses provide a comprehensive view of economics from multiple angles, fostering a holistic understanding.

Furthermore, the curriculum integrates skill-based courses such as Machine Learning with Python, Risk Management, and Portfolio Management, equipping students with practical competencies highly relevant in today's job market. As a result, graduates are well-prepared to embark on diverse career paths, such as data analysts, financial risk analysts, management consultant, and policy analysis. The program offers hands-on experiences, such as engaging in projects, industry visits, and interacting with industry experts. These experiences provide practical insights and valuable networking opportunities. Additionally, it emphasizes a global perspective, enabling students to comprehend the intricate relationships between government, markets, politics, economics, society, and global forces – a crucial element for success in the ever-evolving field of economics.

Programme Duration: **3 Years***

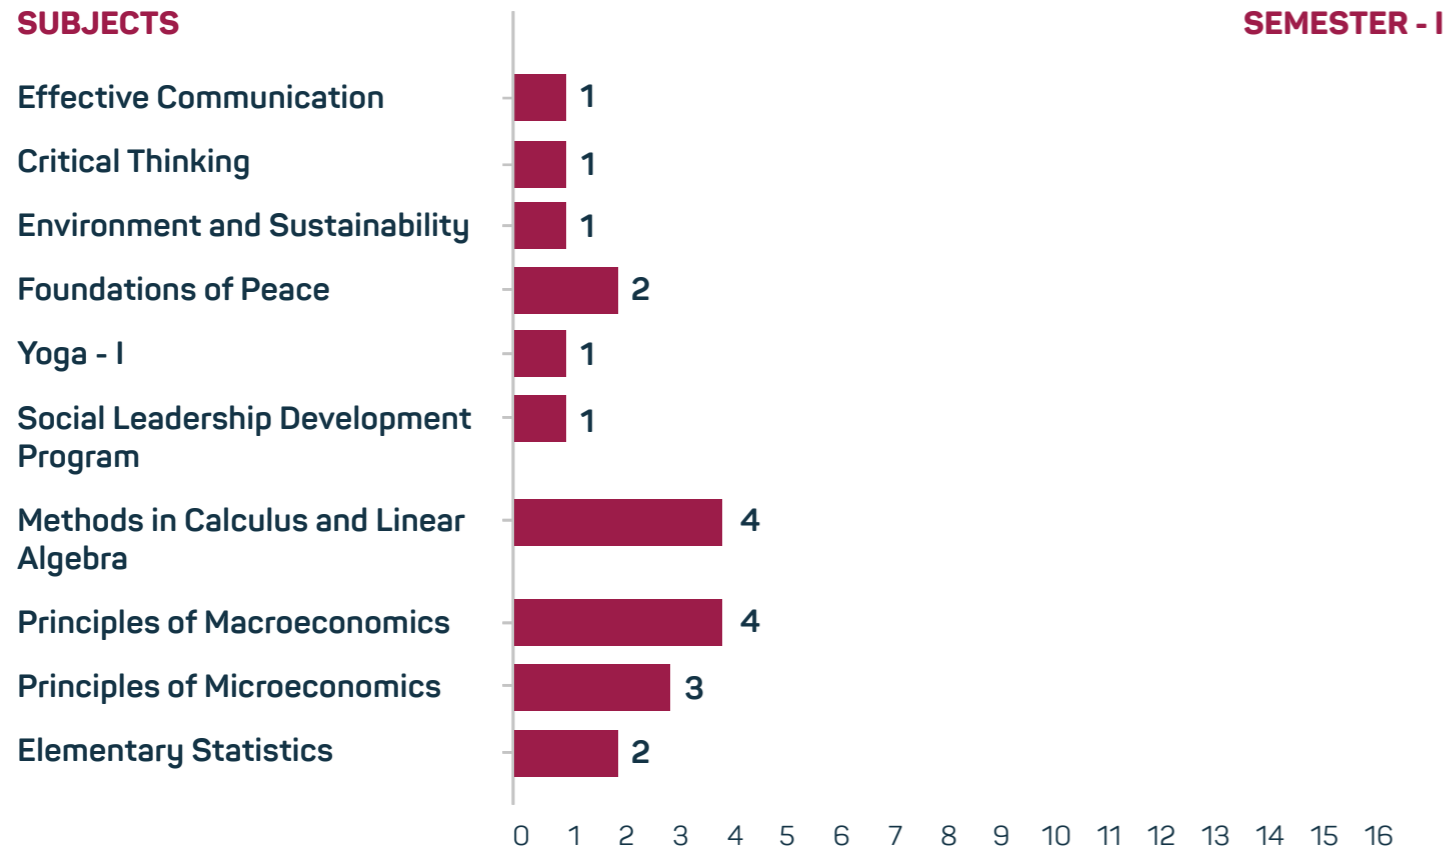

Programme Fee: **INR 1,90,000/-**
(per annum)

Eligible students who opt for the 4th year of the undergraduate programme will be awarded an Honours degree as per the new National Education Policy (NEP) 2020.

M.SC. ECONOMICS

M.Sc. Economics program is purposefully structured to nurture intellectual discipline and stimulate the development of critical and analytical thinking in our students. It is meticulously designed to meet the ever-evolving requirements of the global market, ensuring the comprehensive development of our students.

The M.Sc. in Economics offers students a comprehensive foundation in Microeconomics, Macroeconomics, Advanced Econometrics, Derivatives and Risk Analysis, and Green Economics. These courses provide a strong theoretical underpinning, equipping students to understand the design and implementation of national and international economic policies.

The program provides students with practical training in academia, research, and the corporate world through avenues like software apprenticeships, hands-on projects, paper presentations, dissertation

work, and internships. This practical exposure hones their skills, making them well-prepared to tackle real-world challenges and contribute effectively to the field of economics.

M.Sc. Economics program offers a holistic approach to education, equipping students with knowledge, skills, and real-world experience to excel in the global economic landscape. Our goal is to nurture inquisitive minds and develop future leaders who can make a significant impact in our interconnected world.

Testimonials

Here's What Our Students Have To Say

My experience throughout the BSc. Economics program has been profoundly transformative, owing to the enriching academic atmosphere and abundant opportunities for personal and professional advancement. The curriculum was both comprehensive and inventive, fostering critical thinking and encouraging exploration of boundaries, while the teaching methods employed by professors made intricate subjects accessible. The university's dedication to holistic development was apparent through initiatives such as rural immersion, offering invaluable real-world exposure. Furthermore, the steadfast support from professors and the university in research publication endeavors genuinely empowered students to make meaningful contributions to their respective fields.

-Urmila Desai (TY B.Sc. Economics)

As a B.Sc. Economics student at MIT-WPU's School of Economics and Commerce has been exceptionally fulfilling. Serving as the class representative over the last two years has provided me with invaluable leadership abilities and fostered a deep sense of camaraderie among my peers. The faculty members at MIT-WPU exhibit genuine passion for their subject and consistently demonstrate a willingness to provide extra support to students. Through this program, I have acquired the essential knowledge and skills needed to pursue a prosperous career in Economics and Finance.

-Rutwik Joshi (TY B.Sc. Economics)

Opting for B.Sc. Economics at MIT- World Peace University was always my foremost choice, The comprehensive curriculum, combined with insightful lectures from experienced faculty, has equipped me with a solid understanding of economic principles. I'm confident that the skills and knowledge gained here will pave the way for a successful career in the field.

-Eshaan Rane (TY B.Sc. Economics)

Events @ MIT-WPU

R.I.D.E. Igniting Innovation and Entrepreneurship

R.I.D.E. stands out as a unique educational initiative by MIT-WPU, fostering entrepreneurship beyond academics. This 5-day event, attracting over 10,000 students, showcases cutting-edge research, design thinking, and innovation across diverse domains. With 100+ startups and 50 venture capital experts, R.I.D.E. provides a real-world startup context, encouraging unconventional thinking and exposing participants to transformative dynamics and market trends.

Bharatiya Chhatra Sansad Empowering Youth for Change

A brainchild of Shri. Rahul V. Karad and flagship initiative of MIT-WPU, Bharatiya Chhatra Sansad (BCS) is a nationally recognised initiative empowering youth in India's political landscape. Serving as a non-partisan platform, BCS engages young minds in debates, discussions, and addresses by distinguished personalities, fostering awareness of the socio-political landscape. Acknowledging the contributions of young leaders, sarpanches, and activists, BCS, with participation from 25,000 institutes nationwide, empowers youth to actively shape India's future in governance and administration.

Rural Immersion Programme

The rural immersion programme of MIT-WPU provides students with a unique educational experience. Through village visits, students engage in hands-on projects such as optimising irrigation, water conservation, waste recycling, and solar power integration. This immersive learning develops critical thinking, problem-solving skills, and community awareness, fostering a profound understanding of rural dynamics and innovative solutions.

MIT-WPU Student Clubs

MIT-WPU is a vibrant hub for student involvement, boasting over 100 clubs spanning cultural, social, sports, co-curricular, and NCC/NSS categories. Such student-led clubs provide students with a platform for active participation, connection-building, and leadership skills development.

- ◆ The Innovation Club is a hub for entrepreneurial and innovative events and workshops
- ◆ The Art and Photography Club brings together aspiring artists for creative expression
- ◆ The Sports Club, orchestrating spirited sporting events and activities
- ◆ The Cultural Club celebrates diversity and fosters cultural exchange
- ◆ Aatman- The sole Mental Health Club led by Psychology students, promoting well-being
- ◆ Team Dart- A motorsports team participating annually in the Rally Car Design Challenge (RCDC)

These clubs excel in national and international competitions, amplifying the dynamic MIT-WPU experience, nurturing leadership, and fostering holistic personal growth. Active participation in these diverse student clubs empowers students to optimise their time, enhance their skills, and contribute purposefully to the community.

Life @ MIT-WPU

Peace Studies: Fostering Holistic Growth

Understanding the importance of inner and social peace and conflict management skills is crucial in today's world. MIT World Peace University has adopted UNESCO's core vision of 'Building Peace in the Minds of Young Men and Women' as its guiding ethos.

The university offers a mandatory course of peace studies that lays the foundation for spiritual peace & harmony. It explores new ideas and practices from various cultures to tackle the challenges of global peace and sustainable development. The university also plans to introduce an advanced postgraduate degree programme in Peacebuilding and Conflict Management that offers state-of-the-art learning opportunities to study traditional and contemporary pedagogies of peacebuilding and conflict management.

The main objective of this course is to prepare students to become agents of social change and genuine global citizens. It trains them in non-violent communication to promote peace and prevent violence in communities and workplaces. Furthermore, the peace studies module also acquaints students with diverse yoga practices that enrich their cognitive prowess and information base, refining critical thinking and enhancing their overall personality. This interdisciplinary course, developed with input from scholars and practitioners worldwide, helps students build knowledge of India's spiritual & cultural ethos. Additionally, the course covers essential conflict management knowledge and skills that are in high demand in today's corporations.
