ANUSHKA SHRIVASTAVA
Final Yr. B.Pharm

I am a final year B.Pharm student in MIT-WPU, Department of Pharmacy. I come from a small town, Bhilai, Chhattisgarh and I was hesitant to move to the big city. However, not only did I receive support from the faculty members, but also a 75% scholarship based on my NEET percentile. The infrastructure of MIT-WPU and of the Department of Pharmacy is fabulous and all the laboratories are very well equipped with all kinds of advanced instruments which give us exposure to standard industrial practices. I gained immense knowledge about the real time situations and challenges and the upcoming opportunities in the field of pharmacy under the guidance of the highly qualified faculty members. The Department provided me with a lot of opportunities to understand my own interests in the field and a platform to showcase my talents.
