Life Transformation through Peace and Education

Founder's View

Dr. Vishwanath D. Karad's

passion has always been to create an educational system that blends science & spirituality. He advocates that Peace is not just a concept or theory; **“Peace is to be Practised and Experienced.”**

Peace in Education

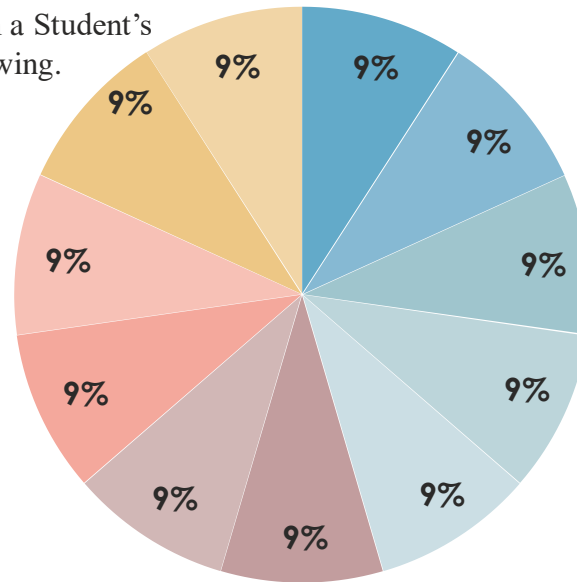

Education without values & ethics is meaningless and could even be dangerous to the society. At WPU, we aspire to make our student contribute to the global sustainable peace and welfare of humanity.

What Does Peace mean in MIT-WPU

There are **5 dimensions** to our offering and from a Student's perspective, he/she can get educated on the following.

- Learning PEACE
- Practicing PEACE Living in
- PEACE
- Sharing & Spreading PEACE
- Securing PEACE

Programme	Weeks	Hours
2Years	64Weeks	180

Current Students Testimonials

Miss. Ramandeep Kaur
WNS Global Services

It's been a privilege to be a part of MIT Pune. It's impeccable in its own way with its caring faculty members. The teachers are very friendly and professional. They are always there to help the students and guide them. MIT Pune has a huge and beautiful campus, lab facility for students, a huge library and takes special care of placements for students pursuing different courses. The teaching along with non-teaching staffs take special care about all the students and their overall development. I have been placed with a MNC company i.e., WNS, therefore I would like to thank our placement cell co-ordinator and special thanks to all my faculty members and this college.

Miss. Nidhi Charak
S. Y., M.Com, Topper

It's my privilege to be in university where we have got such a nice faculty who are very helpful and understanding. The activities conducted in this college have helped in a lot in building my confidence. The placement provided by the college is good for our career.

Topper

Miss. Poonam Godase
M.Com. University Rank 1st ,
Gold Medalist (Batch-2013-2015)

MIT has given an astonishing platform for the overall growth and development of the students with excellent infrastructure, library, and class rooms everything around here, is very inspiring and compassionate. The faculty members have encouraged us in every activity conducted and which were very helpful for us throughout our study. It has given a value added meaning to the M.COM course by providing all the practical insights along with the course curriculum.

Miss. Anjali Sharma
Topper (Batch 2014-2016)

It's been a privilege to be a part of this esteemed college. It's impeccable in its own way with its caring faculty members. The teachers are very friendly and professional. They are always there for you. College having really huge and beautiful campus and a huge library. The teaching along with non-teaching staffs cares a lot about all its student and their overall development.
