Workshops: TEXEPHYR conducts workshop on buzz topics like Python, Android, Image Processing, IOT, Line Tracer, 3D Printing, CATiA and Vehicle Overhauling etc.

Detailed Description:

2014 saw a breakthrough with the launch of TEXEPHYR, a technical festival organized by the students of Maharashtra Institute of Technology, Pune with the aim of celebrating new technology and innovation. TEXEPHYR is an amalgamation of two words – Technology and Zephyr. It signifies the change brought upon by innovative minds. Texephyr'14 was based on 'Conquering Horizons'. Texephyr for the past 4 years has been adopting themes based on the development schemes launched by the Government of India like

'Swachh Bharat Abhiyan' and 'Digital India'. The most recent Texephyr'17 focused on the theme of Smart City and Texephyr'18 was based on 'Dr. A. P. J. Abdul Kalam's Vision 2020'.

After the overwhelming response from TEXEPHYR'18 we are now gearing up to make TEXEPHYR'19 even a bigger success. TEXEPHYR'19 aims on getting nationwide participation in an array of challenging technical and non-technical events.
