**Parent Teacher Meeting**

**T.Y.B.Tech CSE (Trimester T7)**

**Date: - 4<sup>th</sup> -5<sup>th</sup> September 2020**

**PTM for T.Y.B.Tech CSE (Trimester T7)** students was held on 4<sup>th</sup> September 2020 from 4 pm to 6 pm and on 5<sup>th</sup> September 2020, 3 pm to 5pm in online mode for all 8 panels, 1 hr for 2 panels. This meeting was scheduled for the parents of T7 trimester.

The aim of the PTM was to make the parents aware about the different activities conducted by the school in online mode and also to interact with the parents and seeking their suggestions and feedback in this online mode of academic conduction. Prof. Dr. Mangesh Bedekar, Head, School of Computer Engineering and Technology addressed the parents. He informed parents about various student achievements in Hackathons, Internships, Product Development through Entrepreneurship, Mini Projects across multiple courses and capstone projects with guidance of faculty. He also asked parents give their valuable feedback and suggestions. Class teachers coordinated this event.

Around 200 parents participated in the meeting. Their major concern was about trimester end term exams conduction mode, upcoming internships etc. TYCoordinators informed the parents about online mode of conduction of academic activities in this trimester.

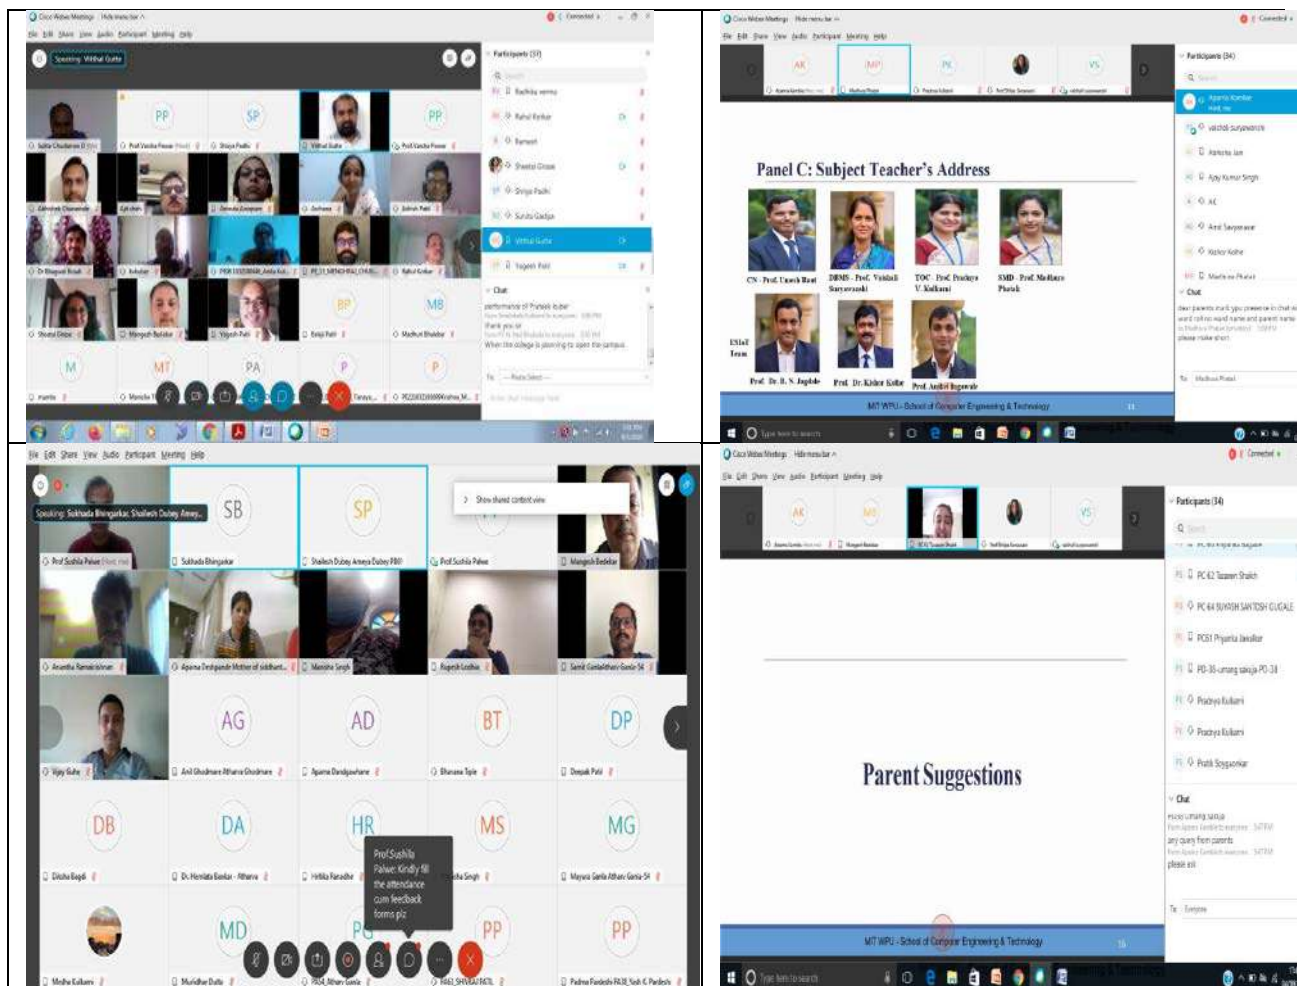

Subject Teachers gave details about syllabus coverage and CCA and LCA components converge in online mode. MOOC coordinator gave parents the information about mooc courses importance. Seminar coordinator gave details about seminar activity which in the upcoming trimester. Internship coordinator also shared details about internships activities which is also

there in the upcoming trimester and guidelines for up skilling. Parents were keen to know and concerned about internships for their wards.

Parents appreciated the efforts taken by the school faculty and are happy the way all activities are conducted in online mode. Prof. Dr. B.M.Patil, Associate Head, School of Computer Engineering and Technology also interacted with parents. Parents feedback is take in the form of google form. The PTM concluded with vote of Thanks.

Team T.Y.B.Tech CET would like to express their gratitude to the Dean, Head of school, all teaching and nonteaching staff and the parents of third year B.Tech Course for their kind cooperation to make this program successful.
