

## Enthusia 2020

‘Enthusia’, the event where the enthusiasm of all the students reaches its peak, is an inter collegiate event for junior college students organized by students from **School of Management(UG), Faculty of Commerce and School of Liberal Arts**. The event-included categories like debate, quiz, treasure hunt, dance, instrumental, photography, poetry, tell a tale, painting, monodrama, best outfits and singing. Other than being just an event it is a festival where all students come together to create something magical. The event took place from **8<sup>th</sup> to 12<sup>th</sup> December, 2020**. We have received an overwhelming response from more than 30 colleges from all over India. 200+ students participated in this online event. This was the 10<sup>th</sup> year of Enthusia and for the very first time it was successfully conducted digitally.

Though the event was conducted digitally, our team managed and worked hard to get the sponsors. Our honourable sponsors were Chetan Bachawat Photography, Traverlly, Crafty Souls and SellMax. Enthusia provided a virtual platform to students across the country to showcase their talents and compete on a higher level. This annual festival provided everyone with a new perspective of conducting events virtually on another level.

For each segment, we had judges and the competition was conducted fairly. On the last day of the event we had Tell a Tale, Dance competition followed by announcement of the winners. This event turned out to be a huge success for each and every one of us. Enthusia indeed brought an enthusiasm amongst each and every team member as well as the participants.
