

Report on Geography day Celebration (23/01/2021)

MIT World Peace University, School of Education & Research had organized 'Geography Day' on 23rd Jan. 2021. The main purpose of the celebration is to make our teacher trainees, understand the fact that with the knowledge of Geography one can understand the basic physical systems that affect everyday life and study different places, their importance and the relationships between people and their environments. The event was organized on the Zoom Platform for the B.Ed Students of School of Education in the gracious presence of our guest Asst. Prof.Uddhav Pol, from Prabhodhini Education Society's, Vidya Prabodhini College of Commerce, Education & Management Goa. Sir explained the reason to celebrate Geography Day, nature, and vastness of the subject along with its importance and various career opportunities of Geography.
