

Report on B.Ed CET Training Workshop

School of Education conducted CET Training from 25/06/2020 - 28/06/2020 Workshop for students on Zoom Platform due to current pandemic crisis for the students who want to take admission for B.Ed Programme. The main objective of the CET workshop is to provide knowledge about CET Examination 2020, to create awareness about teacher's aptitude, general knowledge and mental ability and to do hands on practice for solving CET sample questions. 30 students attended this online lecture series and benefited from it.
