

Report of Internship orientation by iTeach (14th August 2020)

On 14th August 2020 MITWPU School of Education has organized the orientation for the B.Ed students for which recruitment team of iTeach schools was invited through online mode. They interacted with all students of B.Ed. second year. The orientation was all about why students have to join iTeach, how it's different from rest of the schools and what iTeach is all about? iTeach shared some of the highlights from their school and the success story of the students who were associated with them during the course time of internship. iTeach team gave detailed orientation of the internship programme to which all the students were completely satisfied.
